

According to the Maxwellian speed distribution, as the temperature increases the most probable speed:

**According to the Maxwellian speed distribution, as the temperature increases the most probable speed:**

- A. **increases**
  - B. decreases
  - C. increases at high temperatures and decreases at low
  - D. decreases at high temperatures and increases at low
- 

According to the Maxwellian speed distribution, as the temperature increases the most probable speed **increases**
