According to the UN Secretary-General, what did he say about humanity's current situation regarding climate change?

"Humanity has opened the gates of hell."

"Humanity is making progress in addressing climate change."

"Climate change is not a significant concern for humanity."

"Humanity is thriving despite climate challenges."

Show Answer...

Correct Answer: "Humanity has opened the gates of hell."

Explanation

The UN Secretary-General described the situation by saying, "Humanity has opened the gates of hell."

The evidence is everywhere: humanity has unleashed destruction. This must not inspire despair, but action. We can still stop the worst. But to do so we must turn a year of burning heat into a year of burning ambition.

With extreme weather events accelerating, "[humanity has opened the gates to hell](#)," said the Secretary-General, describing distressing scenes of farmers helplessly watching crops washed away by floods, the emergence of virulent disease due to rising temperatures, and the mass exodus of people fleeing historic wildfires.
