Choose a word with the Closest Meaning to “CELIBACY”.

- A. Chastity
- B. Abstinence
- C. Promiscuity
- D. Fidelity

Show Answer...

Correct Answer: A (Chastity)

Explanation:

The word that has the closest meaning to “Celibacy” is A. Chastity. Celibacy refers to the state of abstaining from sexual relations, particularly in the context of voluntarily remaining unmarried or refraining from engaging in sexual activity. Chastity, on the other hand, refers to the virtue of being pure or abstaining from any sexual misconduct.

While both terms are related to abstinence from sexual activity, celibacy specifically pertains to the voluntary choice to remain unmarried and abstain from sexual relationships, often for religious or personal reasons. Chastity, on the other hand, encompasses a broader concept of moral purity and sexual restraint.

Therefore, in the given options, the word “Chastity” is the closest in meaning to “Celibacy.”
