Show Answer...

Correct Answer: C (Privilege)

Privilege:

The correct spelling is “Privilege”. It is a noun that refers to a special right, advantage, or immunity that is granted to a particular person or group of people. The word has a “g” after the “i”, and this is a common spelling mistake. Option A, D, and B all have incorrect spellings. It is important to spell words correctly to avoid confusion and ensure effective communication.

Explanation of the word “Privilege”

Privilege refers to a special advantage or right that is given to a particular person or group of people. It is often linked to social status, wealth, or power and can result in unequal opportunities or treatment.

Examples of “Privilege” in Sentences

As a wealthy individual, he enjoyed the privilege of traveling in first-class cabins.

The company’s executives have the privilege of access to exclusive clubs and events.

Her race and social status gave her the privilege of receiving better education and job opportunities.

Correct spellings of Privilege: its meaning, types and examples

The government officials abused their privilege by taking advantage of public resources for personal gain.

The students recognized the privilege they have in receiving a quality education and decided to give back to the community through volunteer work.

Types of Privilege

Privilege can take many forms, including:

Economic privilege - access to wealth and resources

Social privilege - access to social networks and status

Racial privilege - advantages based on race or ethnicity

Gender privilege - advantages based on gender or sexual orientation

Educational privilege - advantages based on educational opportunities

How Privilege Can Lead to Inequality

Privilege can lead to inequality when some people have access to more opportunities and resources than others. This can result in a disparity in income, education, and social status, among other things. It can also create a cycle of advantage and disadvantage, where those who have privilege are more likely to succeed and maintain their status, while those without privilege struggle to get ahead.

In conclusion, privilege refers to a special advantage or right that is given to a particular person or group of people. It can take many forms and can lead to inequality if not recognized and addressed.
