MCQ: Nelson Mandela's Incarceration Before Becoming President

Nelson Mandela spent 27 years in prison before becoming the President of South Africa. He was an anti-apartheid revolutionary and political leader who fought against racial segregation and discrimination. Mandela's long incarceration was a result of his activism and struggle for justice and equality in South Africa.

Despite the harsh conditions of his imprisonment, Mandela's resilience, courage, and unwavering dedication to the cause of freedom made him an iconic symbol of the struggle against apartheid. Upon his release in 1990, Mandela continued to play a pivotal role in bringing an end to apartheid and later became the first black President of South Africa in 1994, leading the nation on a path of reconciliation and progress.
