

How many states are there in the United States of America?

How many states are there in the United States of America?

- A. 48
- B. 50
- C. 52
- D. 54

Show Answer...

Correct Answer: B (50)

Explanation:

There are 50 states in the United States of America. Each state has its own government and is represented in the federal government by two senators and a number of representatives based on its population.
