In which country are the majority of people in prison?

- A. United States
- B. China
- C. Russia
- D. India

Show Answer...

Correct Answer: A (United States)

Explanation:

The correct answer is option A, "United States." The United States has the highest incarceration rate and the largest prison population in the world.

Option B, "China," is not the correct answer. Although China has a large population, the United States has a higher incarceration rate.

Option C, "Russia," is also not the correct answer. While Russia has a significant prison population, it is not as high as that of the United States.

Option D, "India," is not the correct answer. India does not have the majority of its population in prison compared to the United States.

The United States leads the world in total number of people incarcerated, with more than 2 million prisoners nationwide (per data released in October 2021 by World Prison Brief).

The United States has faced longstanding issues related to its criminal justice system, leading to high rates of incarceration. Factors such as mandatory sentencing laws, the war on drugs, and disparities in the justice system have contributed to the large prison population in the country.

It is important to note that addressing the causes and consequences of high incarceration rates is a complex issue that requires comprehensive criminal
