Correct Answer: B (an)

Explanation:

The correct answer is B, “an.”

In the given sentence, “It is _____ L shape,” the indefinite article “an” is used before the noun “L shape.”

The indefinite article “an” is used before words that begin with a vowel sound. Since “L” is pronounced with an “el” sound, which begins with a vowel sound, “an” is the correct choice in this case.

Option A, “a,” is not the correct answer. “A” is used before words that begin with a consonant sound, and since “L” does not begin with a consonant sound in this context, it is not the appropriate choice.

Option C, “the,” is not the correct answer. “The” is a definite article used before specific or previously mentioned nouns, and it does not fit the context of the sentence.
