

It was difficult to imagine Fatima \_\_\_\_\_ women as a psychiatrist, listening while others talked was not her style .

**It was difficult to imagine Fatima \_\_\_\_\_ women as a psychiatrist, listening while others talked was not her style .**

**A. A talkative**

B. A cheering

C. A smiling

D. A aggressive

---

Option A : Second part of the sentence indicates that Fatima is talkative and do not listen to others So she can not be a good psychiatrist . The right choice is A .
