

## She did not know the answer, and \_\_\_\_\_?

- A. I did not neither
- B. I did neither
- C. **neither did I**
- D. neither I did

### Answer and Explanation

She did not know the answer, and **neither did I**

Here, **NEITHER DID I** is the correct answer because in such a situation

we use the following structures only

**neither/nor + auxiliary/modal verb + subject**

Furthermore,

We can also use the **subject + auxiliary verb + not + either**

So, here according to this structure we get only two sentences which are as under

**I did not either** OR **neither did I**

---
