The Antonym of Exclusive is _____

A. Inclusive
B. Elusive
C. illusive
D. Intrusive

Show Answer...
Correct Answer: A (Inclusive)

Explanation:

The word "exclusive" refers to something that is restricted or not shared with others. The antonym of exclusive is inclusive, which means including everyone or everything.
Option B, elusive, means difficult to find, catch or achieve. Option C, illusive, is the word being Deceptive; illusory, and option D, intrusive, means causing disruption or annoyance by being unwelcome or uninvited. Therefore, the correct answer is option A, inclusive.

What is the meaning of the word "Exclusive"?

The word "exclusive" refers to something that is limited or not shared with others. It can also mean that something is only available to a select few, or that it is unique or rare.

Why is it important to understand the antonyms of words?

Understanding the antonyms of words can help you expand your vocabulary and communicate more effectively. When you know the opposite of a word, you can use it to create contrast, emphasize a point, or provide clarification. It can also help you avoid using the wrong word or miscommunicating your intended meaning.

How can you improve your vocabulary?

Improving your vocabulary can be done in several ways. Reading books, articles, and other materials can help you encounter new words and see how they are used in context. Looking up unfamiliar words in a dictionary and memorizing them can also help expand your vocabulary. Another helpful technique is to use flashcards to learn new words and test your knowledge. Most importantly, you cannot learn words until you bring them into your daily usage, therefore, what you learned should be used in your daily routine

Conclusion

The antonym of exclusive is inclusive. Knowing antonyms can help you communicate more effectively and avoid miscommunication. Improving your vocabulary can be done through reading, looking up unfamiliar words in a dictionary, and using flashcards to memorize new words.
