

The Antonym of “INIMICAL” is?

- A. Friendly
- B. Hostile
- C. Adversarial
- D. Beneficial

Show Answer...

Correct Answer: A (Friendly)

Explanation:

The antonym of “inimical” is A, “Friendly.”

The word “inimical” means harmful, unfriendly, or hostile. Therefore, its antonym would be a word that denotes the opposite meaning, which is friendly. Option A, “Friendly,” is the correct antonym as it implies a positive and supportive relationship.

Option B, “Hostile,” is not the correct answer as it is a synonym of “inimical” and carries a similar negative connotation.

Option C, “Adversarial,” is also not the correct answer as it means hostile or involving opposition, similar to “inimical.”

Option D, “Beneficial,” is not the correct answer either as it does not convey the opposite meaning of “inimical.” While something beneficial is positive, it does not directly imply the absence of harm or unfriendliness.

Choosing the correct antonym is essential for understanding the opposite meaning of a word and using it appropriately in different contexts.
