

# The antonym of TIMID is:

- A. Innocent
- B. Brave
- C. Poet
- D. Skilled

Show Answer...

**Correct Answer: B (Brave)**

## Explanation:

The correct option is B, "Brave."

The word "timid" refers to someone who lacks courage or is easily frightened or shy. Therefore, the antonym of "timid" would be a word that means the opposite, which is "brave."

Option A, "Innocent," is not the antonym of "timid." "Innocent" refers to someone who is not guilty or lacks knowledge about something, and it does not convey the opposite meaning of lacking courage or being easily frightened.

Option C, "Poet," is unrelated to the concept of being timid or brave. A poet is someone who writes poems and does not represent the opposite of timidness.

Option D, "Skilled," is also unrelated to the concept of being timid or brave. "Skilled" refers to having expertise or proficiency in a particular area and does not convey the opposite meaning of lacking courage or being easily frightened.

Therefore, the correct antonym of "timid" is "brave."
