Correct Answer: C (Something cherished or loved)

Apple Of My Eye Means:

The phrase “apple of my eye” means?

The phrase “apple of my eye” is an idiom used to express love or affection towards someone or something cherished or loved. The origin of this phrase dates back to ancient times, where the apple was considered a valuable and cherished fruit. The phrase was first used in the Bible, in the book of Psalms, where it is mentioned as “he who touches you touches the apple of my eye.”

The phrase has evolved over time and is now commonly used in everyday language to express the idea of someone or something being very dear to one’s heart. It is often used to describe a loved one, such as a child or spouse, or a

prized possession.

In some cultures, the phrase “apple of my eye” is used in a literal sense, to refer to the pupil of the eye, which is round and resembles the shape of an apple. In this context, the phrase is used to express the idea of something being very close and dear to one’s sight, just as the pupil is close to the eye.

In conclusion, the phrase “apple of my eye” is a commonly used idiom to express affection or love towards someone or something cherished or loved. Its origin dates back to ancient times and it has since been used in various contexts, both literal and figurative.
