

The study of human body cells is called: (CSS MPT 2024)

The study of human body cells is called: (CSS MPT 2024)

Cytology

Anatomy

Physiology

None of these

Show Answer...

Correct Answer: (Cytology)

The study of human body cells is called:

A. Cytology

B. Anatomy

C. Physiology

D. None of these

Explanation:

The correct answer is A. Cytology. Cytology is the branch of biology that focuses on the study of cells, including their structure, function, and behavior. It encompasses the examination of cells from various organisms, including the cells of the human body.
