

The wedding quilt was designed as a sentimental way to make use of fabric taken _____ blankets and bedding that belonged to older couples in her family.

The wedding quilt was designed as a sentimental way to make use of fabric taken _____ blankets and bedding that belonged to older couples in her family.

- A. from
- B. with
- C. in
- D. at

Show Answer...

Correct Answer: A (from)

Explanation:

This sentence speculates that quilts were made from fabrics taken from somewhere. Only from completes this idea

The correct answer is A, "from."

The complete sentence would be: "The wedding quilt was designed as a sentimental way to make use of fabric taken from blankets and bedding that belonged to older couples in her family."

Option B, "with," is incorrect as it does not fit the context of the sentence. The fabric was not taken "with" blankets and bedding; it was taken "from" them.

Option C, "in," is incorrect as it does not convey the correct meaning. The fabric was taken "from" the blankets and bedding, not "in" them.

Option D, "at," is incorrect as it does not make sense in the context of the sentence. The fabric was not taken "at" blankets and bedding; it was taken

“from” them.

The wedding quilt was designed as a sentimental way to make use of fabric taken _____ blankets and bedding that belonged to older couples in her family.

The preposition “from” indicates the source or origin of the fabric used for the wedding quilt, making it the correct choice to complete the sentence.
