There __ information about careers in the public library.

A. is a few
B. are many
C. is a lot
D. is some

Show Answer...
Correct Answer: D. is some

Explanation:

The correct answer is "D. is some." In this sentence, we are talking about information, which is an uncountable noun. Therefore, we use the singular form of the verb "is." "Some" is used to indicate an unspecified amount of information, which fits well in the context of the sentence. The other options (A. is a few, B. are many, C. is a lot) do not fit the sentence structure or meaning.
