Show Answer...

Correct Answer: A (on account of)

Explanation:

In the given sentence, we need to choose the correct linker from the given options.

Option A, "on account of," is the correct choice as it follows the format of the sentence. It is used to indicate the reason for not reaching an agreement due to their differences.

Option B, "due," and Option D, "owing," are followed by "to," which is not present in the sentence. Hence, they are not appropriate answers.

Option C, "because," is followed by "of," which is not present in the sentence, making it an incorrect choice.

Thus, the correct answer is Option A (on account of).
