This year, he will sit _____ the CSS examination. [Precis 2023]

- A. for
- B. in
- C. at
- D. on

Show Answer...

Correct Answer: B (in)

Explanation:

What preposition should be used to complete the sentence?

The correct preposition to use in the sentence is "**in**". The complete sentence would be "This year, he will sit in the CSS examination." The preposition "in" is used to show that the person will take part in or participate in the CSS examination.

The prepositions "for", "at", and "on" are not appropriate in this context. The preposition "for" is used to indicate the purpose of an action, such as "He studies for the CSS examination." The preposition "at" is used to indicate a location, such as "He will take the CSS examination at the testing center." The preposition "on" is used to indicate a specific day or time, such as "He will take the CSS examination on Monday."

Therefore, the correct preposition to use in the sentence is "in".
