

“To pass the buck” means: (CSS MPT 2024)

“To pass the buck” means: (CSS MPT 2024)

To share a responsibility

To play a card game

To ignore a problem

To make a decision quickly

Show Answer...

Correct Answer: (To share a responsibility)

“To pass the buck” means:

A. To share a responsibility

B. To play a card game

C. To ignore a problem

D. To make a decision quickly

Explanation:

The correct answer is A. To share a responsibility. The expression “to pass the buck” is an idiomatic phrase that means to transfer or shift responsibility to someone else, especially when trying to avoid dealing with a difficult situation or decision.
