Correct Answer: C (To be in a difficult or dangerous situation with limited options)

Explanation:

The idiom "back against the wall" means to be in a difficult or dangerous situation with limited options. It implies a sense of desperation and urgency, as if one has no choice but to fight or take drastic action to survive. The idiom can also imply a sense of being trapped or cornered, with no way to escape or avoid a difficult situation. Option A is incorrect, as the idiom implies the opposite of a comfortable and secure position. Option B is also incorrect, as the idiom does not imply any sense of power or control.
