Show Answer...

Correct Answer: C (A good thing that happens unexpectedly)

Explanation:

The idiom “blessing in disguise” refers to a situation that appears to be a problem or a disappointment, but eventually turns out to be a good thing. It means that sometimes an unexpected misfortune can lead to unexpected benefits or opportunities. For example, losing a job may be a blessing in disguise if it allows you to pursue a new career path that you are passionate about. Option A is incorrect, as it describes an event that is a disappointment or a failure, but does not capture the positive aspect of the idiom “blessing in disguise”. Option B is also incorrect, as it describes a small but valuable item, which is not related to the idiom. Option D is also incorrect, as it describes a situation that is likely to cause problems, which is not the same as a situation that turns out to be a good thing.
