Show Answer...

Correct Answer: To forget or neglect something

“To put something in cold storage” means

The idiom “to put something in cold storage” means to forget or neglect something, usually for a long period of time. This phrase is often used to describe something that is no longer a priority or is not being actively pursued. Here are a few examples to help illustrate the meaning of this idiom:

To put something in cold storage, Sentence Examples

1. After the company went bankrupt, the project was put in cold storage and all development was halted.
2. When I moved to a new city, I put my old hobbies in cold storage and focused on making new friends and exploring my new surroundings.
3. The government put the proposed legislation in cold storage when it became clear that it would not pass in its current form.
4. My grandparent’s old photo albums were put in cold storage in the attic, where they sat untouched for years.

In each of these examples, the thing that is being “put in cold storage” is being neglected or forgotten about, at least for the time being. It may be revisited or reactivated at some point in the future, but for now, it is not a priority.
