Show Answer...

Correct Answer: B (To have a clear understanding of something complex or difficult)

The idiom “wrap one’s head around something” means to have a clear understanding of something complex or difficult. It is often used when trying to comprehend a concept or idea that is particularly challenging or requires a significant amount of mental effort. Option A is incorrect, as the idiom is not meant to be taken literally. Option C is also incorrect, as the idiom does not imply any sense of shame or embarrassment. Option D is also incorrect, as the idiom is used to describe the process of gaining understanding, not confusion or disorientation.
