**Correct Answer: D (Up to 35%)**

## **Explanation:**

The Federal cabinet approved a salary increase of up to 35% for government employees in Budget 2023-24.

The correct answer is D, Up to 35%. The Federal cabinet has approved a significant increase of up to 35% in the salaries of government employees as part of the Budget 2023-24. This decision aims to improve the financial well-being of government employees and acknowledge their valuable contributions to public service.

The salary increase is an important aspect of the budgetary allocations, reflecting the government's commitment to promoting fair compensation and addressing the needs and demands of government employees. It is expected to have a positive impact on the lives of government employees, enhancing their purchasing power and improving their overall quality of life.

Such salary increases in the public sector can have a cascading effect on the economy, as the additional income may lead to increased consumer spending, which, in turn, can stimulate economic growth. The decision to increase government employees' salaries is a testament to the government's focus on

What increase in salaries did the Federal cabinet approve for government employees in Budget 2023-24? ensuring the well-being of its workforce and promoting a thriving economy.

It is worth noting that the specific details and implementation of the salary increase may vary across different departments and positions within the government. Therefore, it is important for government employees to stay informed about the specific changes applicable to their roles and take necessary steps to avail the benefits of the approved salary increase.

Overall, the approved increase of up to 35% in salaries for government employees in Budget 2023-24 reflects the government's recognition of their dedication and commitment and demonstrates its efforts to provide better financial prospects for public servants.
