

# What is a synonym of “JITTERY”?

- A. Calm
- B. Confident
- C. Nervous
- D. Joyful

Show Answer...

**Correct Answer: C (Nervous)**

## Explanation:

A synonym is a word that has a similar or identical meaning to another word. In this case, the synonym of “jittery” is “nervous.” Both words are used to describe a state of unease or anxiety, indicating a feeling of nervousness or restlessness.

Option A, “Calm,” is incorrect because it is an antonym of “jittery.” Calm refers to a state of tranquility and lack of agitation, which is the opposite of being jittery or nervous.

Option B, “Confident,” is incorrect because it is also an antonym of “jittery.” Confidence implies a strong belief in one’s abilities or self-assurance, which is the opposite of feeling jittery or nervous.

Option D, “Joyful,” is incorrect because it does not have the same meaning as “jittery.” Joyful refers to a state of great happiness or delight, which is different from the anxious and uneasy feeling conveyed by “jittery.”

In summary, the synonym of “jittery” is “nervous,” as both words describe a feeling of unease or restlessness.
