

What is the antonym of “Fervent”?

What is the antonym of “Fervent”?

- A. Cold
- B. Passionate
- C. Apathetic
- D. Intense

Show Answer...

Correct Answer: C (Apathetic)

Explanation:

The antonym of “Fervent” is “Apathetic.” “Fervent” means showing intense passion, enthusiasm, or zeal, while “Apathetic” means showing a lack of interest, enthusiasm, or concern.

Options A, B, and D are synonyms of “Fervent” and, therefore, not the antonym.
