

What is the capital city of Tanzania?

What is the capital city of Tanzania?

- A. Dar es Salaam
- B. Dodoma
- C. Zanzibar
- D. Arusha

Show Answer

Correct Answer: B (Dodoma)

Explanation:

The capital city of Tanzania is Dodoma, although Dar es Salaam is the largest city and used to be the capital before the move to Dodoma in 1974. Dodoma is located in the central part of the country and serves as the administrative capital, while Dar es Salaam remains the commercial and financial capital.
