

What is the capital of Barbados?

What is the capital of Barbados?

- A. Havana
- B. Kingston
- C. Nassau
- D. Bridgetown

Show Answer...

Correct Answer: D (Bridgetown)

Explanation:

Bridgetown is the capital and largest city of Barbados, an island country in the Caribbean. It is located on the southwestern coast of the island and is the commercial, cultural, and political center of the country. Bridgetown is known for its colonial architecture, beautiful beaches, and vibrant nightlife. It is also a popular cruise ship port and a UNESCO World Heritage Site.
