How to Remember the Correct Spelling of “Believe”?

Many people find it challenging to remember the correct spelling of words, and “believe” is no exception. However, there are some tricks you can use to help you remember the correct spelling of this word.

One way to remember how to spell “believe” is to break the word down into smaller parts. The word has two syllables: “be-” and “-lieve”. The first syllable is easy to remember, as it is spelled the same way as the verb “to be”. The second syllable, “-lieve”, can be remembered by focusing on the letters “i” and “e” and the order in which they appear. The phrase “i before e, except after c” is a useful rule to remember the order of these letters in words like “believe”.

Another trick is to create a mnemonic device to help you remember the spelling. For example, you could create a phrase such as “Big Elephants Like Ice Cream Every Wednesday” to remember the spelling of “believe”.
