

What is the maximum duration of maternity leave allowed for mothers under the recently passed bill?

What is the maximum duration of maternity leave allowed for mothers for her first birth under the recently passed bill?

- A. 3 months
- B. 4 months
- C. 5 months
- D. 6 months

Show Answer...

Correct Answer: D. (6 months)

Explanation:

According to the [passage](#), mothers can take up to six months of maternity leave for their first birth. THE recently passed bill on maternity and paternity leave enables mothers to take up to six months on the first birth, and leaves of four and three months for the second and third children. This law also allows for the father to take three one-month leaves for the duration of the service during times of childbirth. This is the first-time paternal leave has been given legal protection and it holds pivotal importance for two significant reasons.

Firstly, it aims to ensure the continued presence of women in the workforce, and, secondly, it promotes the idea that childcare is a shared responsibility. Research has shown that countries with robust family leave policies experience higher female labour force participation rates, improved gender equality, and enhanced productivity.
