- D. Deliberate

Show Answer...

Correct Answer: B (To say and pronounce words)

Explanation:

The word “enunciate” means to say or pronounce words clearly and distinctly. Therefore, the synonym of “enunciate” is “to say pronounced words.”

What Does “Enunciate” Mean?

Enunciation refers to the act of speaking words clearly and precisely, often with a distinct pronunciation. Enunciating helps people understand you better, especially when you’re speaking a language that isn’t your native tongue or discussing complex or technical subjects.

Enunciation is crucial when giving speeches, making presentations, or conducting business meetings. Proper enunciation can help you connect with your audience, convey your message effectively, and make a positive impression.

How to Enunciate Clearly?

Here are some tips on how to improve your enunciation skills:

1. Practice breathing exercises to help control your breath and speak more clearly.
2. Slow down when speaking to give yourself time to enunciate each word fully.
3. Pay attention to your tongue, lips, and jaw movements when speaking.
4. Read out loud and record yourself to identify areas where you need to improve your enunciation.

5. Use a mirror to watch your mouth movements and make sure you’re forming words correctly.

Conclusion

Enunciation is an essential aspect of effective communication. It helps you speak more clearly and precisely, which can improve your audience’s understanding of your message. By practicing some of the tips mentioned above, you can enhance your enunciation skills and become a more effective communicator.
