### Explanation:

The Digital Census in Pakistan, also known as the 7th Population and Housing Census, commenced on **1st March, 2023**. This significant national undertaking was carried out using digital methods to collect accurate and up-to-date demographic data. The Council of Common Interest (CCI) approved the results of this historic census during its 50th meeting chaired by Prime Minister Muhammad Shahbaz Sharif, and attended by Chief Ministers from all provinces.

The census was conducted with the help of the Pakistan Bureau of Statistics (PBS) and aimed to count the population and gather housing data across the country. The final results indicated that Pakistan's population had reached a total of **241.49 million** individuals, with a growth rate of **2.55%**. This comprehensive exercise provided essential insights into the nation's demographic composition and distribution.
