Correct Answer: B. Ukraine

Ukraine received immediate emergency financing from the International Monetary Fund (IMF) in 2022. On October 7, 2022, the IMF Executive Board approved the disbursement of US\$1.3 billion to Ukraine under the new food shock window of the Rapid Financing Instrument (RFI). This financial support was aimed at providing immediate assistance to Ukraine, which was facing economic challenges and food security issues at the time. The RFI is designed to provide quick financial assistance to member countries facing urgent balance of payments needs.
