2015 and re-elected in 2017 and 2019. I live in Kirby Sigston, just outside Northallerton.

I have been fortunate to enjoy a successful business career. I co-founded a large investment firm, working with companies from Silicon Valley to Bangalore. Then I used that experience to help small and entrepreneurial British companies grow successfully. From working in my mum's tiny chemist shop to my experience building large businesses, I have seen first-hand how politicians should support free enterprise and innovation to ensure our future prosperity.

My parents sacrificed a great deal so I could attend good schools. I was lucky to study at Winchester College, Oxford University and Stanford University. That experience changed my life and as a result I am passionate about ensuring everybody has access to a great education. I have been a school governor, a board member of a large youth club, and have always volunteered my time to education programmes that spread opportunity.

I have been lucky to live, study and work internationally. I met my wife, Akshata, in California where we lived for a number of years before returning home. We have two daughters, Krishna and Anoushka, who keep us busy and entertained.

I enjoy keeping fit, cricket, football and movies in my spare time.

In July 2019 I was appointed Chief Secretary to the Treasury, having entered Government service as the Minister for Local Government in January 2018. In February 2020, I had the honour of being appointed Chancellor of the Exchequer, a position I held until July 2022."

On October 25, I was honoured and privileged to be appointed UK Prime Minister.
