

Why is short-term memory considered immaculate?

- A. It helps us forget unnecessary information.
- B. It allows us to dwell on desirable past events.
- C. It enables deep analysis of past events.
- D. It prevents depression and negative attitudes.

Show Answer...

Correct Answer: A (It helps us forget unnecessary information.)

Explanation:

Short-term memory helps us forget unnecessary information soon enough, which keeps us out of trouble and prevents dwelling on undesirable past events.
